

Chibudom Okeke Michael

A crypto enthusiast, dedicated to the industry for over 5 years. I am currently the CEO of TENTACLES academy, a platform for educating people on crypto. I am also a team member of ferrum network ,a crypto company and champ media, a group of social media influencers across verified instagram and tiktok platforms. As an educator, I have trained over 200 people on defi analysis, coin tokenomics , launchpad, nft and spreadsheet management all of which are my strong suits. overall i am an effective communicator as i moderate constantly. i also create professional videos for communities and promote on my instagram and other social media. i have experience trading forex and so i am good at technical analysis and i can study and interpret crypto charts
